DO NOT EAT RAW NOODLES

EXCEPTIONALLY CURIOUS NOODLES. That's what the Noodlers at Dumpling & Strand seek in every batch of our fresh-made noodles (never dried, always fresh!). Masters at creating noodles with a heavenly taste and toothsome bite, these Minnesota Noodlers focus on *curious grains*, *curious shapes* and *curious techniques*—thus forever changing the role of noodles on your plate.

FRESH RAMEN: The ramen you hold in your hand is made with traditional methods and ingredients (like kansui, an alkaline salt which creates its distinctive pretzel-like flavor). These nuances create a firm, chewy, and elastic noodle—one with “slurp-worthy” appeal when paired with many kinds of broths. And if that wasn't enough, after boiling this ramen can also be pan fried with a variety of ingredients — yakisoba style — for a hearty one-pan meal.
